TRUMPING THE "RACE CARD"

Frederick Douglass Republican™ Methodology

ARE YOU SICK AND TIRED OF BEING CALLED A RACIST AND YOU KNOW YOU ARE NOT ONE? In order to get President Obama re-elected, Jesse Jackson, Al Sharpton and organizations such as the National Association for the Advancement of Colored People (NAACP) and the National Council of La Raza (NCLR) will intensify their assault of labeling conservatives and Tea Party activists as bigots and racists. Liberal Democrats will use every trick in the book to deceive voters to maintain power.

The ConservativeMESSENGER has developed powerful and effective strategy that puts Jesse Jackson and Al Sharpton out of the "race baiting" business. It is called the Frederick Douglass Republican Methodology™.

In this interactive presentation, KCarl inspires conservatives to stretch beyond their political comfort zone. He empowers and equips them with a proven strategy to combat the "race card" and defeat the vile and malicious attacks of the liberal-left's propaganda machine.

Points covered:

- How to create an atmosphere for political dialogue without being accused of racism;
- How to effectively convey the LIFE-EMPOWERING values of Frederick Douglass;
- What do the words "Conservative" and "Republican" mean to most minorities;
- What is politico-schizophrenia?

and much, much more . . .

KCarl Smith, The ConservativeMESSENGER

"Liberal Democrats play the race card to keep blacks voting opposite of their Christian beliefs. And, they use it to silence conservatives voices—demonizing us as racists and sellouts."
